### At A Glance

- Processor: Marvell PXA310, 624 MHz
- ROM: 256MB
- RAM: 128MB for running applications
- Display: 4-inch VGA TFT with touch screen, portrait oriented
- Wireless LAN: IEEE 802.11b/g with WEP through WPA2-Enterprise (EAP-TLS and PEAP) and WiFi Multimedia<sup>1</sup>
- Bluetooth: v2.0 with EDR<sup>1</sup>
- Connectors: 24-pin connector and Mini USB
- Battery: 2200 mAh
- Expansion: SDIO (high-capacity), CompactFlash HC
- Headphone jack: 3.5mm -3 or 4-pin
- Speaker: 1
- Receiver: 1
- Microphone: 1
- Input: touch, stylus
- Buttons: 5-way navigation with press to activate, 4 programmable, voice recorder, power, reset
- LED: 2
- Operating System: Windows Mobile® 6 Classic Edition

<sup>1</sup> A standard WLAN infrastructure, other Bluetooth-enabled devices, separately purchased equipment, and a service contract with a wireless airtime provider may be required for applicable wireless communication. Wireless Internet use requires a separately purchased service contract. Check with service provider for availability and coverage in your area. Not all web content available.

### Standard Features

#### Models

##### HP iPAQ 210 Enterprise Handheld

### NOTES:

<sup>1</sup> A standard GSM/GPRS/EDGE/UMTS/HSDPA infrastructure, Wi-Fi, other Bluetooth-enabled devices, separately purchased equipment, and a service contract with a wireless airtime provider may be required for applicable wireless communication. Wireless Internet access requires separately purchased Internet service contract. Check with service provider for availability and coverage in your area. Not all web content available. Wireless transmission speeds may vary based upon network capabilities and other conditions. Establishment and continuation of a wireless connection depends on network availability, provider support and signal strength.

<sup>2</sup> Telephone service requires separately purchased contract with a telephone service provider with coverage in your service area. Additional fees may apply for some features, check with your service provider.

<sup>3</sup> Wireless access point required and is not included. Availability of public wireless access points is limited. Wireless Internet use may require separately purchased Internet service contract.
